Dear Parent,

We are excited to announce that now you will be able to pay your computer school fees on-line as well. This year the students are receiving a new Chromebook which will require all to pay a computer fee of 35.00. The computers will be distributed by homeroom. You may send in \$35.00 cash, check, or this year it can be paid from your home computer. HCS is using a software program called My School Fees to make this possible. We plan to include other fees in the future also.

Here's how!

1. Using your computer at home login to [www.MySchoolFees.com](http://www.MySchoolFees.com).
2. Select [REGISTER] and register with MySchoolFees as a User. Select your student's school and enter your Student's ID (found in INOW).

When you return to MySchoolFees.com you will use your email address and your password to reenter the site.

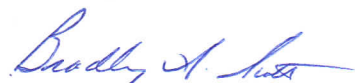

3. Select [OTHER REQUIRED FEES] to pay the computer fee.

Yes, it is as simple as 1,2,3!!

And, you will receive an immediate receipt by e-mail.

Long lines at registration are a thing of the past. We know you will want to take advantage of this time saving service. We do invite your comments and suggestions.

Sincerely,

Brad Scott  
Principal
